

TO : ALL OUR VALUED CUSTOMERS

DATE : 22 June 2015

SUBJECT : Updates on Billings

With reference to the above, we wish to provide progress update on our billing as of to-date 22 June 2015 as follows:

1. Packing and Unpacking charges/Reefer Monitoring Charges/ Drayage ODD – Terminal.

- Invoices for operation date till 31st May 2015 are available for retrieval through Northport e-billing portal from 15th June 2015.
- The invoices for June activities will be posted progressively and target to complete by end June 2015.

2. Terminal handling charges/storage/ EMC and Demurrage

- Invoices for operation date till 8th May 2015 have been posted on 22nd June 2015 and available for retrieval through to our e-billing portal.
- Thereafter, the activities from 9th May 2015 onward will be made available in a progressive manner and expect to resolve the backlogs by first week July 2015 taking into consideration of the volume of data.

3. Drayage ODD – Depot

- Data currently are being tested and target to resolve by 1st week July 2015.

Kindly also be informed that we had increased the frequency of regular billing scheduler to speed up in the production of billing.

We sincerely appreciate our valued customers kind understanding and cooperation during this period. Should there be any assistance required, kindly contact our Billing department.

Thank you.

Yours faithfully,

NORTHPORT (MALAYSIA) BHD
