NORTHPORT (Malaysia) Bhd embarked on a humanitarian aid mission to help flood victims in the east coast who were hit by severe floods recently. Thirty Northport employees departed from Port Klang with three utility vehicles and a bus, loaded with goods for the flood victims in Pekan, Pahang. Essentials such as clothing, food, drinks, and toiletries were distributed to flood victims who are taking shelter in relief centres. Northport chief executive officer Abi Sofian Abdul Hamid said the employees took the initiative to organise the donation drive themselves. "Northport hopes to ease the burden of the flood victims who are in need of help and support during this difficult time," he said.
