

28th June 2017

TO ALL OUR VALUED CUSTOMERS AND PORT USERS

RE : RANSOMWARE CYBER-ATTACK

We are referring to news reports today of a new ransomware cyber-attack that is spreading from Europe to the U.S. and South America since yesterday, Tuesday 27th June 2017.

Northport wishes to inform our valued customers and port users that all necessary steps have been taken to protect our IT infrastructure from possible threats associated with this attack. We have installed the recommended patches to ensure our business continuity and will continue to monitor the situation closely.

We wish to assure you that Northport places top priority on the interest of our employees, customers and all port users. Should further information be required with regards to Northport's IT systems, please do not hesitate to contact our Network Support Team at +6019-383 6766 (24 hours).

Thank you for your continued support.

Yours sincerely,

NORTHPORT (MALAYSIA) BHD
