

## **NORTHPORT SUPPORTS COMMUNITY WELL-BEING THROUGH THE DONATION OF WHEELCHAIRS**

**KLANG, 20 March 2024** - Northport (Malaysia) Bhd ("Northport"), a member of MMC Group, demonstrated its commitment to supporting community well-being by donating ten units of wheelchairs to Hospital Tengku Ampuan Rahimah ("HTAR") in Klang. The donation, which was part of Northport's Corporate Social Responsibility ("CSR") initiatives, will provide essential mobility support to citizens and patients in need at the hospital.

The handover ceremony, held at the Main Building lobby of HTAR, was attended by representatives from Northport and hospital administrators. During the ceremony, Northport's Chief Executive Officer, Dato' Azman Shah Mohd Yusof, presented the wheelchairs to HTAR's Director, Dr. Selvamalar Selvarajan.

"We hope that through our donation, we can help alleviate the challenges faced by HTAR and assist those patients most in need. By extending a helping hand, we aim to contribute to the enhancement of healthcare services and improve the well-being of individuals in our community," said Dato' Azman.

Established in 1985, HTAR, located in the Klang district, is a Government hospital with over 1,000 patient beds and 20 clinical departments. It serves as the primary specialist referral centre for the district, covering areas such as Klang, Sabak Bernam, Kuala Selangor and parts of Petaling and Kuala Langat. Over the years, HTAR has played a crucial role in providing essential healthcare services and medical expertise to the local community, addressing a wide range of healthcare needs and contributing significantly to the nation's healthcare infrastructure.

"Northport and HTAR have established a long-lasting relationship as the hospital is located within our community and consistently provides the best services to our

employees and their families. As a corporate entity operating in Port Klang, Northport remains committed to demonstrating our responsibility to the community we serve. This initiative also reaffirms our dedication to upholding Environmental, Social and Governance ("ESG") principles and making a lasting positive impact on our communities," added Dato' Azman.

Northport has previously demonstrated its commitment to supporting frontline workers at HTAR through various CSR initiatives, especially during the COVID-19 pandemic. One notable initiative was the "Tabung Wira Negara: Perangi COVID-19" donation campaign. The campaign provided an avenue for Northport employees to contribute towards supporting frontline workers in their battle against the pandemic. The campaign successfully raised a total of RM21,644.20, which was fully utilized to purchase essential items such as personal protective equipment ("PPE") and food items. These supplies were distributed to frontline workers at HTAR as well as the North and South Klang District Police Headquarters.

Northport had also carried out CSR initiative with HTAR by organizing a visit to its Medical and Geriatric Ward during the Chinese New Year celebration in 2020. During the program, Northport's volunteers distributed '*ang pow*' and hampers to the elderly patients, aiming to spread the joy and happiness of the Chinese New Year festival.

### **About MMC Corporation Berhad**

MMC Corporation Berhad ("MMC") is a leading utility and infrastructure group with diversified businesses under four core business divisions, namely Ports and Logistics, Energy and Utilities, Engineering, and Industrial Development.

Its key businesses under the Ports and Logistics division include operations and management of Pelabuhan Tanjung Pelepas Sdn Bhd, Johor Port Berhad, Northport (Malaysia) Bhd, Penang Port Sdn Bhd, Tanjung Bruas Port Sdn Bhd, SPT Services Sdn Bhd, Andaman Port Sdn Bhd, Swettenham Pier Cruise Terminal Sdn Bhd, Port Klang Cruise Terminal Sdn Bhd and Langkawi Cruise Terminal Sdn Bhd. Additionally, MMC's port operations are supported by two integrated business logistics solution providers, namely Kontena Nasional Berhad and KTMB Cargo Sdn Bhd. Internationally, MMC has a presence in Saudi Arabia via Red Sea Gateway Terminal Company Limited, a container port terminal within the Jeddah Islamic Port.

Under the Energy and Utilities division, MMC is the single largest shareholder of both Malakoff Corporation Berhad, a sustainably-driven multinational energy generation and environmental solutions

company, and Gas Malaysia Berhad, a total energy solutions provider. In addition, through Aliran Ihsan Resources Berhad, we are a pioneer in wastewater recycling technology and a water treatment specialist.

MMC's Engineering division has played a leading role in the implementation and completion of the 51 km Klang Valley Mass Rapid Transit ("KVMRT") Kajang Line, including the underground works package and the entire 57.7 km KVMRT Putrajaya Line. MMC has successfully delivered several notable civil and infrastructure projects including the 329 km Ipoh-Padang Besar Electrified Double Tracking Project, the innovative Stormwater Management and Road Tunnel ("SMART") Motorway (a first of its kind, dual-purpose tunnel), Langat Centralised Sewerage Treatment Plant, Langat 2 Water Treatment Plant and Refinery and Petrochemical Integrated Development ("RAPID") Pengerang Cogeneration Plant.

MMC Land Sdn Bhd is the holding company of Senai Airport City Sdn Bhd, Seaport Worldwide Sdn Bhd and Northern Technocity Sdn Bhd, which develops and manages approximately 5,000 acres of industrial development land in Johor and Kedah, namely Senai Airport City ("SAC"), Tanjung Bin Industrial Park ("TBIP") in Iskandar Malaysia, and Northern Technocity ("NTC") in Kulim, Kedah. The three (3) developments of SAC, TBIP and NTC provides ready platform and basic infrastructure, and is well connected to major expressway, seaports and airports, targeting clean and hi-tech multinational companies (MNCs), Foreign Direct Investments (FDI) & Domestic Direct Investment (DDI).

In other business, MMC wholly owns Senai Airport Terminal Services Sdn Bhd, the operator of Senai International Airport in Johor Bahru – an emerging southern aviation hub and an important gateway to Iskandar Malaysia and Johor state.
