

FOR IMMEDIATE RELEASE

NORTHPORT ACHIEVES ANOTHER RECORD-BREAKING PERFORMANCE

Northport (Malaysia) Bhd (“Northport”), a member of MMC Group, has continued its record-breaking momentum by achieving its highest-ever monthly container throughput in October 2025, surpassing its previous record set last year. The milestone was achieved with a total handling volume of 366,131 TEUs (“Twenty-foot Equivalent Units”) in October 2025, exceeding the previous record of 365,558 TEUs set in August 2024.

In the previous month, Northport also achieved a new monthly record in its conventional cargo handling operations, with a total throughput of 1,327,883 FWTs (“Freight Weight Tonnes”), surpassing the previous highest record of 1,277,409 FWTs set in October 2024.

“This back-to-back monthly record-breaking achievement in both the container and conventional cargo segments reflects our capability to deliver efficient and reliable services which continues to earn our customers’ trust and confidence. We believe this momentum positions Northport on the right track towards another year of strong performance in both container and conventional cargo handling,” said Nik Muzani Nik Abdul Aziz, Acting Chief Executive Officer of Northport.

For the year-to-date (YTD) period up to October 2025, Northport recorded a total container handling volume of 3,129,491 TEUs, reflecting a growth of 2.2% compared to the same period last year. The segment composition also recorded growth of 2.9% in local cargo and 1.5% in transshipment cargo, compared to the same period last year.

The current performance continues to demonstrate strong potential for Northport, as several initiatives and projects are underway to further enhance terminal capacity and operational efficiency. The ongoing wharf upgrading project is expected to

enable the terminal to accommodate larger vessels, thereby strengthening Northport's competitiveness in the region. Meanwhile, the arrival of four new quay cranes in 2026 will further boost productivity and optimize operational performance to support Northport's long-term growth.

"By continuously striving for excellence, we will be able to deliver consistent performance and reliable service to our customers. These achievements would not have been possible without the strong dedication and teamwork of our employees. The synergy within TeamNorthport proves that no challenge is too great when we work together towards a common goal," said Nik Muzani.

- END -

About Northport (Malaysia) Bhd

Northport (Malaysia) Bhd ("Northport") is one of the largest multi-purpose gateway ports of its kind in the national ports system. Northport is grouped under MMC Port Holdings Berhad ("MMC Ports"), Malaysia's largest port operating group. MMC Ports is a wholly-owned subsidiary of MMC Corporation Berhad, a leading utilities and infrastructure group with diversified businesses under four divisions, namely Ports and Logistics, Energy and Utilities, Engineering and Industrial Development.

Northport offers dedicated facilities and services to handle a wide variety of cargoes ranging from containers to cars, break bulk cargoes as well as liquid and dry bulk cargoes of all types and shipment sizes.

With a historical tradition dating back more than 120 years, Northport plays an important role in the development of the Malaysian economy and the country's burgeoning international trade.

Northport is the recipient of the "Occupational Safety and Health (OSH) Practitioner with Best Integrity" Special Award at the Integrity, Governance, and Anti-corruption Awards ("AIGA") 2023, Anugerah Perdana Penarafan Bintang Sasaran Penting (APBSP) 2023 under the Key Point II category, British Safety Council's International Safety Awards (Merit) in 2023 and winner of the International Association of Ports and Harbors ("IAPH") 2022 Sustainability Award, under the Health Safety and Security category, the first Malaysian port to receive the prestigious international award from IAPH, Northport is also the winner of the Best Port Safety Management Award from the Ministry of Transport Malaysia in 2021.

Northport is the Gold Award winner of the Integrity, Governance and Anti-corruption Awards ("AIGA") 2022 and 2023, and winner of the National Occupational Safety and Health ("NOSH") Award 2020/2021 in the Business Services, Mentor-Mentee (Mentor) and the CEO of the Year (Private Sector) categories, NOSH Award 2019 in the Business Services category and Malaysia's Best Seaport - Outstanding Performance Award in the Port category presented by the Ministry of Transport Malaysia for two consecutive years, in conjunction with the Malaysia World Maritime Week 2016 and 2017.

Northport also holds the distinction of being the first port in Malaysia to be awarded the ISO 45001:2018 for Occupational Health and Safety Management Systems in 2019 and ISO 37001:2016 Anti-Bribery Management System (ABMS) in 2021.

About MMC Corporation Berhad

MMC Corporation Berhad ("MMC") is a leading utility and infrastructure group with diversified businesses under four core business divisions, namely Ports and Logistics, Energy and Utilities, Engineering, and Industrial Development.

Its key businesses under the Ports and Logistics division include operations and management of Pelabuhan Tanjung Pelepas Sdn Bhd, Johor Port Berhad, Northport (Malaysia) Bhd, Penang Port Sdn Bhd, Tanjung Bruas Port Sdn Bhd, SPT Services Sdn Bhd, Andaman Port Sdn Bhd, Swettenham Pier Cruise Terminal Sdn Bhd, Port Klang Cruise Terminal Sdn Bhd and Langkawi Cruise Terminal Sdn Bhd. Additionally, MMC's port operations are supported by two integrated business logistics solution providers, namely Kontena Nasional Berhad and KTMB Cargo Sdn Bhd. Internationally, MMC has a presence in Saudi Arabia via Red Sea Gateway Terminal Company Limited, a container port terminal within the Jeddah Islamic Port.

Under the Energy and Utilities division, MMC is the single largest shareholder of both Malakoff Corporation Berhad, a sustainably-driven multinational energy generation and environmental solutions

company, and Gas Malaysia Berhad, a total energy solutions provider. In addition, through Aliran Ihsan Resources Berhad, we are a pioneer in wastewater recycling technology and a water treatment specialist.

MMC's Engineering division has played a leading role in the implementation and completion of the 51 km Klang Valley Mass Rapid Transit ("KVMRT") Kajang Line, including the underground works package and the entire 57.7 km KVMRT Putrajaya Line. MMC has successfully delivered several notable civil and infrastructure projects including the 329 km Ipoh-Padang Besar Electrified Double Tracking Project, the innovative Stormwater Management and Road Tunnel ("SMART") Motorway (a first of its kind, dual-purpose tunnel), Langat Centralised Sewerage Treatment Plant, Langat 2 Water Treatment Plant and Refinery and Petrochemical Integrated Development ("RAPID") Pengerang Cogeneration Plant.

MMC Land Sdn Bhd is the holding company of Senai Airport City Sdn Bhd, Seaport Worldwide Sdn Bhd and Northern Technocity Sdn Bhd, which develops and manages approximately 5,000 acres of industrial development land in Johor and Kedah, namely Senai Airport City ("SAC"), Tanjung Bin Industrial Park ("TBIP") in Iskandar Malaysia, and Northern Technocity ("NTC") in Kulim, Kedah. The three (3) developments of SAC, TBIP and NTC provides ready platform and basic infrastructure, and is well connected to major expressway, seaports and airports, targeting clean and hi-tech multinational companies (MNCs), Foreign Direct Investments (FDI) & Domestic Direct Investment (DDI).

In other business, MMC wholly owns Senai Airport Terminal Services Sdn Bhd, the operator of Senai International Airport in Johor Bahru – an emerging southern aviation hub and an important gateway to Iskandar Malaysia and Johor state.
