**NORTHPORT'S CAPACITY EXPANSION – TEMPORARY CLOSURE OF WHARF 8 DUE TO THE UPGRADING OF THE WHARF**

As part of our efforts to serve our valued customers and port users better, we will be embarking on capacity expansion involving one of our oldest wharves, i.e. Wharf 8, located in Container Terminal 1.

It involves upgrading works for Wharf 8 that include the redevelopment of the wharf and deepening of berthing basin from -11.3 metres to -17 metres which enables us to receive more ultra large vessels in line with meeting the increasing demand for improved port facilities and better connectivity.

For this reason, we would like to inform of the **Wharf 8's closure** with effect from **3<sup>rd</sup> August 2015 for a period of two (2) years.**
