NORTHPORT'S OPERATIONS DURING HAZE

Northport wishes to refer to a circular issued by Lembaga Pelabuhan Kelang (LPK) dated 11 September 2015 on the haze situation affecting Port Klang, which has caused reduced visibility around this area.

We wish to inform our valued customers and port users that Northport is currently fully operational as usual. We have arranged and taken extra precautions on the health and safety of both our staff and service providers/contractors to provide uninterrupted services to our valued customers and port users.

Our action plans and business operations during this period will be guided by the relevant authorities' advice and guidelines. For further clarification and assistance, please feel free to contact our Customer Service Centre at 03-3169 8000.

We thank you for your continuous support during this trying time.

Thank you.

Yours sincerely,
