NORTHPORT GATE ACCESS CONTROL SYSTEM

MIGRATION & REGISTRATION FOR PORT USERS (NON-HAULIERS)

Northport will introduce Gate Access Control System in an effort to enhance the security system in the port. Due to this, an exercise to upgrade port pass and register thumbprint for all port users will be carried out, as below.

17 September 2020 until 25 October 2020

WHAT TO BRING?

- Valid port pass.
- Identification card (IC)/passport.
- Completed Registration Form.
- Copy of e-Vetting

Note: For problematic fingerprint, please get the verification letter from Jabatan Pendaftaran Negara.

GUIDELINES

- Properly dressed or in company uniform.
- Must bring port pass, IC/passport, duly completed Registration Form and copy of e-Vetting.
- During the registration from 17 September until 25 October 2020, change of new port pass is free of charge (subject to surrendering of old port pass). Registration after this period will incur relevant charges.
- Only 10 pax is allowed per hour.
- 2 locations will be opened for Migration & Registration:
  - Port Control Centre (Block B Conventional, Northport) - 24 hours
  - Port Pass Office, Southpoint 9.00 am until 5.00 pm (Monday to Friday)

Registration is subject to first-come, first-serve basis.

PROCEDURE FOR MIGRATION & REGISTRATION

1. Verify IC number and submit form
2. Take photo
3. Register thumbprint
4. Return of old port pass
5. Issuance of new port pass
